

Thank you for your interest in the Asheville Symphony Youth Orchestra! The Asheville Symphony Youth Orchestra (ASYO) provides young musicians with the tools they need to grow and thrive. Students learn from some of Asheville's finest music educators and collaborate with young people who share their passion for music. ASYO includes two string orchestras, two symphony orchestras, and percussion ensemble.

**Please note: As we continue to honor recommendations about social distancing, ASYO has moved to video auditions for the upcoming 2020-2021 season.**

Orchestra Audition video submissions should consist of a brief solo (approx. 1-4 minutes,) and an excerpt(s) dependent on instrument. Audition requirements, excerpts, and uploading video audition instructions may be found by visiting <https://ashevillesymphony.org/asyo/asyo-auditions/>.

For any questions or concerns, please contact Leigh Dixon, ASYO Manager, at [ledixon@ashevillesymphony.org](mailto:ledixon@ashevillesymphony.org).

We look forward to hearing you!
